

Physical Damage Coverage When You Need It Most!

For General Information Purposes Only!

Is your equipment protected?

You rely on all your trucks and trailers to keep your business going, and unless you see around corners you don't know when something will happen to your equipment. With Physical Damage insurance from NTISG, you can be ready for any covered loss. Your new and used equipment are repaired or replaced and you're back in business quickly.

Small fleets can protect it all with one powerful policy. Designed specifically for small fleets, our policy offers flexible pricing and a range of deductible options. Our small fleet customers can enjoy pricing advantages and enhanced coverage just like the large fleets do.

Pick a Physical Damage Program That's Right For You!

Our Physical Damage Insurance provides comprehensive coverage to repair or replace your new or used equipment that is stolen or damaged. This program has very competitive physical damage options and is designed to meet the requirements of long, medium and short haul drivers with 1-1,000+ power units. Because our program is flexible, we can offer low-deductible policies so our customers do not have to struggle with high out-of-pocket costs when claims occur.

Program Highlights.

- ▶ Available for Individual Owner Operator or Fleets.
- ▶ On-line Underwriting on 1-9 units for instant turnaround.
- ▶ Coverage includes: (see policy for terms and conditions)
 - \$7,500 Additional Towing Coverage which is not included in the ACV
 - Coverage in Free Trade Zone in Mexico
 - Up to \$5,000 for Electronics, Sound Reproduction and Satellite Equipment, if permanently attached to the vehicle
 - Tarps, Chains, Binders and similar equipment will be covered as part of loss, but not as a separate item.
- ▶ Available nationwide except DE. Program is limited in CA. All CA risks must be referred to the Underwriter. (\$25,000 minimum premium for all New York risks.)
